## STATE RECOGNIZED TRIBES

Eight tribes obtained formal recognition from the Commonwealth during the 1980s—the Chickahominy, Chickahominy Eastern Division, Mattaponi, Monacan, Nansemond, Pamunkey, Rappahannock, and the Upper Mattaponi.

The Pamunkey and Mattaponi retained their reservations and have been observing their treaty relationships since 1677.

Below is a map of the eight tribes' tribal communities today.
