
Senses Experiment: Do You Hear What I Hear?

WHAT THIS EXPERIMENT SHOWS:

How many sounds you can recognize.

WHAT YOU NEED:

- A friend or two
- A blindfold
- Stuff to make noise (coins to jingle in a jar, a book to close, hands to clap, paper to crumble, paper to rip, bubblegum to crack or pop, a ball to bounce, and supplies for any other sounds you want to make)

WHAT TO DO:

1. Blindfold your friend.
2. Make each noise.
3. Ask your friend to guess what the noise is. How many did your friend guess right?

HOW CAN YOU FIND OUT MORE?

Your Ears
